Dear Ashley,

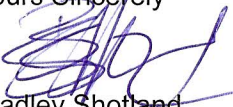

**Re: Robert Walters Chatswood**

We are pleased to be able to provide a reference for your company upon the completion of our new office fitout in Chatswood. Once again, as with the build of our head office, you have shown Robert Walters your professionalism and commitment in providing a very high quality result.

This commitment allowed us to have full confidence in your ability throughout the entire project, from design, planning and implementation of the fitout. Your staff always made themselves available to us and were very quick to respond to any concerns or questions we had. You provided excellent service from beginning to end.

On behalf of Robert Walters, I would like to take this opportunity to thank The Patterson Group for your continued professionalism and dedication to our team once again.

Yours Sincerely
